Changes & Updates made at the January 9th meeting.

It is a new year and time for the annual FCE Clubs' survey! In the past, the survey was done to receive input from members. The County Council has decided to conduct the survey again this year. It will be a great way for the County Council to hear the thoughts of each member, to learn what they want for the coming year and to see what kind of changes they would like to see implemented. The Vice President of Public Policy, Faye Gordon, will be creating the 2018 FCE Club survey with the help of your UT Extension FCS Agent Ethel Bonner. Plan on receiving and completing the survey at your February club meeting. Lastly, don't forget your Agent Miss Ethel Bonner will be meeting with clubs in the month of February!
