It's a new year and the County fce Council has decided to conduct another survey of fce club members to give everyone an opportunity to share their thoughts on the upcoming program year and on the changes that they would like to see implemented. The new Vice-President of Public Policy, Faye Gordon, will be working with Ethel Bonner, your UT Extension FCS Agent and fce club advisor, to create the 2017 survey. Current plans are for members to receive and complete the surveys at their February fce club meeting. Lastly, don't forget that Ethel will be meeting with each of the clubs in the month of February.
