

A Brief History Of Our Program

Lincoln County 4-H has had a shooting sports program for many years. We currently have available for any student that is in grades 4th through 12th grades. Currently we offer Archery, Shotgun and Hunting Skills in the Shooting Sports program. This all started at Gatlin Guns in Petersburg, Tennessee and now has grown to be housed at the Lincoln County Horseman's and 4-H Horseshow Grounds; just a short drive out of town off Hwy. 431.

Competitions are at TN State Jamborees, TN State Invitationals and National's Shooting Sports in Grand Island, Nebraska!

What Our Activities?

Archery

We offer weekly practices starting in the fall to learn archery skills with recurve bows that our program provides to get started. Archers can then decide if they want a recurve of their own, or get a compound bow. Recurve, Olympic recurve, Hunter Compound and Open Compound competitions are available.

Shotgun

We offer practices in the Fall and Spring for Shotgun. They will learn skills in Trap and Skeet shooting. Competitions are available for these disciplines.

Small-Bore/Air Rifle

We offer practices in the Spring for both. This discipline teaches students the ability to hand firearms safely and how to shoot/care for them. Competitions are also available.

We would love to expand our shooting sports program Volunteer Coaches. Contact Debra Elliott at dellio26@utk.edu or 931-433-1582

Our Facilities

Our Current location for Archery and Shotgun practices is at the Lincoln County Horseman's Association and 4-H Horseshow grounds at 8 Wilkes Road, Fayetteville, Tennessee 37334. Hunting Skills Practice locations will be announced at a later date. Contact for further information.
